

Supply List for Inge Dam Mini-Workshop

May 12^h 2018

Participants should bring:

2 C-clamps (2 inches)

1 small stick shuttles (each shuttle should have one sharp edge)

30 weaving cards

Warp and weft yarn: 10/2 mercerized cotton in four different colors (dark, medium and light) approximately 1/8 lb. of each colour. If you would rather work with a heavier yarn you can use 5/2 instead, but you will need to bring more than 1/4 lb. of each colour.

books with ideas for patterns, i.e., books with cross stitch patterns, knitting patterns etc.

graph paper (8-10 squares per inch)

a plastic bucket or some type of similar container (mop bucket)

one small reed (i.e. for table loom) any dent size will do (it has to fit over the bucket and not fall in to it when laid across it)

tape measure

scissors

strong elastics (long and thin rubber bands are the best)

notebook

pencil and eraser

colored pencils

black marker (fine point)

ruler

darning needle
