

Potomac Fiber Arts Guild Presents
"Fiber Keeps on Giving and giving, and....."
Sale. Silent Auction. Fashion Show and Potluck Lunch!

December 8, 2018 | 10am-1pm

Saint Mark Presbyterian Church, 10701 Old Georgetown Road, North Bethesda, Maryland 20852

Join your friends (non-members are encouraged to come!) and Guild colleagues for an enjoyable morning devoted to raising funds for our Guild activities. Gift-quality artwork and high-value supplies and equipment can be purchased at the silent auction. Sale tables will feature yarn and fabrics (sold by the pound!), books, equipment, supplies, and small gift items in a new section called "Buy it Now."

This is a great opportunity to clear out your stash (donations are accepted from Guild members and well as non-Guild members), and as a way to find incredible bargains for your personal stash enhancement.

Please bring small handmade items such as those listed below to the November guild meeting. Gail Robin will collect them from you and have them ready for the sale.

Bring donated fiber books (no magazines, please), yarn, fabric, and equipment on the day of the auction.

Lunch is courtesy of the guild members and will be available for all to attend. This event is held every other year and all funds raised support our programs in the fiber arts.

We never know what will be donated each year. Historically we have seen the treasures listed below.

Yarn and Fabrics \$1.50 a pound!!!!
