

## **October 2019 – Melinda Stees**

### **Extended Workshop: Knitting What You See**

#### **Student's Materials Fee: \$25.00**

The kit will include all the materials for making a small piece of knitted artwork, including a piece of machine knitting made in advance. The workshop activities will include customizing this piece with duplicate stitch by hand so everyone will have a unique piece. Kits will include the previously mentioned knitting, a knitted strip to make the frame, precut corrugated board, pine molding, black Tyvek paper, black sticky-back foam and felt, fusible web, screws and mounting hardware, lengths of yarn in several colors for assembly, and labels. Melinda will bring staple guns and electric screwdrivers. She will also bring knitting needles in various sizes. Melinda will provide handouts describing her process.

#### **Student Supply List:**

Sharp scissors, staple gun, electric screwdriver (optional).
