Small bottles of black & white paint

Basic paint supplies:

My favorite brushes are the cheap chip brushes from hardware stores

### **Texture tools**

At least 8 oz.

If you are going to purchase, get Golden Regular Acrylic Gel Medium.

#### **Pad of mixed media paper**

Any kind of heavy paper you might have in your studio is suitable, e.g., Bristol or watercolor paper

A few **large Ziploc bags or a bin** of misc. materials such as:

Fabric scraps—edges from squared up quilts, small pieces you might not be able to use for anything else

Lightweight tissue type papers (old wrapping stuff, old sewing patterns....)

Old newspapers, magazine images....

Found objects

If you can sew it down, it's fair game!

Thin & thick black sharpie

Handmade paper—small amounts

Similar to the one in the link below
